and resources**

Looking for a job?

1. Log on to JobNow.
2. Use the Career Resources to begin your job search.
3. Create your resume and get expert feedback.
4. Prepare for your interview.

Not sure how to start your job search?

Use eParachute to help you discover a career that best matches your personality, skills, and interests.

Writing your resume?

Begin by the Brainfuse Word Document templates or OptimalResume. Then use our Resume Lab to send to a job coach and receive expert feedback and revisions to help strengthen your resume.

Prepare for your interview

Read through our tips and connect with a live job coach to get ready for your interview.
